

This image shows a large triangular grid of small, mostly empty rectangular cells, tapering from left to right. The grid is composed of many small, uniform rectangular cells arranged in a pattern that forms a right-angled triangle. The cells are arranged in approximately 30 rows. The leftmost column has the most cells, and the number of cells decreases by one in each subsequent row to the right. The cells are mostly empty, with some faint, illegible text visible in the top-left corner. The overall appearance is that of a large, empty grid or table.
